

Dear High School Principals and Counselors,

Pensacola State College and University of Florida, Milton Campus welcome any of your seniors interested in applying to the **Two Plus Two (2+ 2) PSC/UF Institute of Food and Agricultural Sciences Scholarship**.

SCHOLARSHIP DETAILS:

Tuition (\$1800 per academic year) at PSC Milton for maximum two years (\$3600 total) and \$1000 per academic year for two years (\$2000 total) at UF Milton (WFREC). The student will be expected to complete two years of academic studies at the PSC Milton Campus and successfully gain admission as a transfer student to UF's College of Agricultural and Life Sciences (CALS)'s Natural Resource Conservation or Plant Science BS program at Milton.

HOW TO APPLY:

1. Complete a Pensacola State College New Student Admissions application
<http://www.pensacolastate.edu/admissions/>
2. Compose & type 200 word statement explaining why the student feels he/she is deserving of the scholarship. (12pt. double-spaced)
3. Have minimum grade 9-12 GPA of 3.0 unweighted on 4.0 scale. Vocational and non-vocational such as driver education and sports subjects are not considered in the final GPA.
4. Complete the PSC NextGen Scholarship application online no later than March 1 of your graduation year.
https://pensacolastate.scholarships.ngwebsolutions.com/scholarx_scholarshipsearch.aspx
5. Provide two official sealed copies of transcripts. (You will need these at the interview)
6. Deliver all documents (except the official sealed transcripts which will be brought to interview if applicant is chosen to advance). Applications are due during the month of February each year. Please see your High School guidance counselor for dates or call Dr. Amos or Mark Long for more information.
